Related Categories: Flex, Adobe, Photoshop, ColdFusion, Photos, Computer Technology, Books

As a **very satisfied owner** of **Total Training** DVD video tutorials on Photoshop, Flash, Dreamweaver, and Flex, I literally recommend their training to everyone I speak with that might have an interest... really, and half the time I chew their ear off because I won't shut up about how great their tutorials are.

Now they're launching online training as well, in HD and available 24/7. Here's some quotes from their website:

Premium Training Goes Online

Total Training is a pioneer in innovative video-based training for creative design, digital video, and office productivity software programs. Our mission is to deliver premium training to our users enabling them to quickly learn new software applications. Now, for the first time, our award-winning videos are available online.

- Access award-winning training 24/7
- High-quality content produced in HD
- Explore the customized interface

- Customized Controls
- Search Content Within Lessons
- Lesson Progression Tracking
- Ability to Bookmark Lessons

Get the Entire Total Training Online: Adobe Library for FREE!

In celebration of our upcoming Total Training Online release, we're offering this once in a lifetime opportunity. For every purchase of \$150* or more, you will receive the Total Training Online Adobe Library absolutely free for 1 year that's over \$1,000 worth of DVDs accessible online! View our Adobe Library below.

Hurry! Offer expires June 15, 2007.

Dear Total Training:

Please add **ColdFusion 8** training as a part of your web technology stable of training products.

Thanks!
