### Follow me on Twitter!

Fri Jul 24 9:13 PM

Thorough video tutorial for the special requirements of photographing actor headshots [@LayersMagazine](#) <http://bit.ly/199Sn9> [#photog](#)

Fri Jul 24 8:49 PM

[@jeffcrossphoto](#) Yeah, [@GuyWithCamera](#) he kills me. Gonna tweet him for next week's [#photog](#) [#FF](#)

Fri Jul 24 8:39 PM

[@jeffcrossphoto](#) Yes, but how many [#photogs](#) are actually just [#gwcam](#) (guy with camera) ([@GuyWithCamera](#))

Fri Jul 24 6:33 PM

[@jshapiro1109](#) Thanks for the hint. I can't help myself from deconstructing things. :D [#AdobeWave](#)

Fri Jul 24 6:30 PM

The company that laid off my wife in March just went bankrupt and laid the rest off, but severance checks are bouncing now. [#whew](#) [#epix](#) [#pharmaceuticals](#)

Fri Jul 24 5:14 PM

Watching Interview: John Shapiro [@jshapiro1109](#) about Adobe Wave at Vodpod <http://bit.ly/1929IN>

Fri Jul 24 4:57 PM

[@mindmillmedia](#) Hrm. FCS doesn't make sense for me. It's for streaming audio/vid, but LCDS streams data. [#AdobeWave](#) is data, not media

Fri Jul 24 4:52 PM

Er, correction... based on the info detail of the trace, it looks like it might be Flash Communication Server FCS [@mindmillmedia](#) [#AdobeWave](#)

Fri Jul 24 4:46 PM

Just as I thought, [#AdobeWave](#) is using LCDS over RTMP for the realtime

notifications <http://bit.ly/gEkkh>

Fri Jul 24 3:57 PM

**@boyzoid** I suggested to **@jshapiro1109** to create a unique code or identifier for publishers to embed on the domain's www as verification

Fri Jul 24 3:49 PM

**@commadelimited** Ping **@jshapiro1109** about **#AdobeWave**

Fri Jul 24 3:44 PM

**@thecrumb** When Adobe OEM's a third party source, it becomes Adobe's problem, to be managed with the 3rd party

Fri Jul 24 3:06 PM

**@marcos\_placona** Good question re -Xmx/s, but not related to Request Tuning setting. Recommended to set same value. <http://bit.ly/3ws07J>

Fri Jul 24 2:59 PM

All the ColdFusion Tweeps must have been having a beer earlier: Got any Q's abt Request Tuning settings in CFAdmin? Seeking blog fodder

Fri Jul 24 1:40 PM

ColdFusion Tweeps: What questions do you have about the Request Tuning settings in CFAdmin? Seeking blog fodder. Thx!

Fri Jul 24 1:12 PM

**@jshapiro1109** Great! Generate a UUID or hash of the domain name, then have user embed it, then Adobe grabs and parses to verify **#AdobeWave**

Fri Jul 24 12:47 PM

**@jshapiro1109** And yes, re better idea: Like Google Analytics have user post Adobe code snippet or JS to domain for verification **#AdobeWave**

Fri Jul 24 12:45 PM

**@jshapiro1109** I did not have an MX record associated with my business domain. Just setup Pro Gmail account hooked to domain. **#AdobeWave**

Fri Jul 24 12:42 PM

**@cutterbl @webonix** Thanks. Pro Gmail acct now setup for stevenerat.com. Appreciate the pointer

Fri Jul 24 11:56 AM

**@TwitTogs @photocritic** <http://www.flickr.com/photos/stevenerat/>

Fri Jul 24 11:31 AM

**@ashumittal** Congratulations! You are the Bokeh Queen! **#flickr #flickrexplore #frontpage**

Fri Jul 24 11:26 AM

Using Google Latitude on my iPhone now. Helps to coordinate with my wife between her commute and daycare <http://bit.ly/7zrsM>

Fri Jul 24 11:03 AM

**@cutterbl @awest** Please let me know if you can direct me to a setup page for

hooking gmail to a domain. Thx!

Fri Jul 24 11:02 AM

Thanks (again!) [@photonconcepts](#) for the [#photog](#) [#FF](#)

Fri Jul 24 10:59 AM

RT [@awest](#): Really disappted in Adobe's decision 2 only allow Wave accts if u have an email attached 2 ur site domain. Heard of Gmail Adbe?

Fri Jul 24 10:31 AM

[@pedro\\_morin](#) ColdFusion uses JavaMail under the hood, so Googling for JavaMail might help. See: <http://bit.ly/w3cJ0> for intersting forum

Fri Jul 24 10:28 AM

[@pedro\\_morin](#) That's a reply from the SMTP server. I think the error means what the error says. Message too big? Must be a SMTP setting

Fri Jul 24 10:21 AM

[@iotashan](#) I felt like that way back when [@seancorfield](#) linked to my blog (2003?). I got so excited I tripped over myself.

Fri Jul 24 10:14 AM

Thanks [@mvanleest](#). Funny, I see prolific bloggers and devs like Ray, Ben,Rob or [@remotesynth](#) and I'm \*amazed\* at their dev and comm skills.

Fri Jul 24 10:11 AM

[@cfjedimaster](#) Thanks for the complement. (I wasn't fishing for that, honest!) [@bennadel](#) That's what I'm talking about.

Fri Jul 24 10:06 AM

I'm no [@cfjedimaster](#) or [@bennadel](#) but I have hundreds of techy ColdFusion blogs. Often I'm surprised to find I've already answered myself

Thu Jul 23 9:43 PM

[@cfjedimaster](#) W00t! Its happening, it happening! (I'm in desperate need of entertainment) [#adobe](#) [#wave](#) [#babywatching](#) [#coldfusionbloggers](#)

Thu Jul 23 9:37 PM

[@cfjedimaster](#) The anticipation is crushing

Thu Jul 23 9:26 PM

[@commadelimited](#) Um, I must have missed that. Virtual Classroom?

Thu Jul 23 9:25 PM

[@cfjedimaster](#) ColdFusion Bloggers Adobe Wave installed. (A watched wave never pings?)

Thu Jul 23 9:21 PM

When I read long articles I get impatient and start at the bottom and read up

Thu Jul 23 9:19 PM

[@tpryan](#) Hrm, were you in cahoots with Sam Farmer on the one liner deal? ;-)

headshot2007.jpg? C'mon, show us the gray hairs you've earned

Thu Jul 23 8:17 PM

**@styggit** I won't be at **#cfunited**, not sure about the rest of the crew. I think we're going to focus on the small, intense confs like CFObj

Thu Jul 23 8:10 PM

**@styggit** I'll be in Denver next Wednesday with the Webapper team. Too bad we'll miss you there. **#Denver #breckenridge #fb**

Thu Jul 23 8:09 PM

Went for my first run today after being held back that whole poison ivy issue, and then there was 9 weeks of bronchitis. Feels good 2 b out

Thu Jul 23 5:54 PM

**@paulkukiel** Pretty sure I saw a demo or blog entry about it. Might have been a slide in the CF9 tour.

Thu Jul 23 5:51 PM

**@reybango** Luckily there are only 800,000 people in the world that currently get that pun.

Thu Jul 23 5:50 PM

**@paulkukiel** dbinfo() I think

Thu Jul 23 5:38 PM

**@cfjedimaster** I was on CORBA after Adobe, then that ran out and my wife got laid off, so we were on her CORBA. Luckily we have BCBS now.

Thu Jul 23 4:00 PM

**@sjespers** When MACR ColdFusion Eng team first recruited in Bangalore, they all stayed in 1 cramped, dingy apt w/o A/C. Leela == upgrade!

Thu Jul 23 3:54 PM

**@joeyldotcom** New DVD? Dang, now I'm break my budget.

Thu Jul 23 2:03 PM

**@remotesynth** I thought I saw a massive storm over PR on the news... The radar showed a big red thrashing area

Thu Jul 23 1:58 PM

**@ashumittal** Absolutely loved it. As you can see, I loved exploring Bangalore and learning first hand about the culture.

Wed Jul 22 11:13 PM

**@Syl\_Arena** Syl, thanks for the cost cutting ideas, re Shurline/metalhead: Done! (RT **@JoeMcNallyPhoto**: **@stevenerat** --cool thank mr. arena)

Wed Jul 22 11:06 PM

**@JoeMcNallyPhoto** Just picked up my Shurline painters pole last Saturday. The

metalhead arrived today. Now we're in (**#photog**) business!

Wed Jul 22 11:00 PM

Amazing retouching skills. And who knew a Canon G9 could sync at 1/2000?  
<http://bit.ly/rp80b> **#photog**

Wed Jul 22 9:07 PM

RT **@carehart**: Hey Steven, you could find Scope Enhancer and more in the ColdFusion Monitoring Tools category @ **#cfmon**"  
target="\_blank"><http://www.cf411.com/#cfmon>

Wed Jul 22 7:31 PM

**@mobarger** Mmmmmmmm ... Dessert at Mo's house! #

Wed Jul 22 7:30 PM

**@fotofolio** Please please share your secret with me! - Sleepless in Boston  
**#littlefolio #luxury**

Wed Jul 22 4:56 PM

**@shutupdanielle** I can. It was yesterday. **#taxachusetts #corruption**  
**#lackofcontemporaryinfrastructure**

Wed Jul 22 4:44 PM

<http://twitpic.com/b91pm> - 1 marriage, 1 child, 2 jobs, 9 years, and 50 lbs ago

Wed Jul 22 4:25 PM

**@mindmillmedia** If I were you, I'd be looking for a wireless connection on the docks in Annapolis :D... And crabbing in between tweets!

Wed Jul 22 3:59 PM

RT **@emoltzen**: 75% of enterprises either don't want Cloud Computing, don't know what it is, or have no money for it: <http://bit.ly/14hfCX>

Wed Jul 22 3:50 PM

**@MarcGrandmaison** Yeah, I worked for Adobe for almost 9 years in software. My tweeps are either photogs or software developers.

Wed Jul 22 3:44 PM

Just discovered Scope Enhancer by FusionCube. Adds JVM and Heap data to your ColdFusion server scope <http://bit.ly/11johW>

Wed Jul 22 12:50 PM

Sandeep Paliwal of the CF Engineering team shows how to set CFML comment background color in CFBuilder, & color intro <http://bit.ly/3s6Rqx>

Wed Jul 22 12:34 PM

**@lightroomblog** phenomenal composition and exposure. The orange-blue contrast is very complementary **#galwayartsfestival**

Wed Jul 22 12:29 PM

**@fuzzyorange** fer crissakes yer a yunggin

Wed Jul 22 11:35 AM

**@iotashan** Have you tried Buzzword?

Wed Jul 22 11:33 AM

**@joaofernandes** If you run into Prayank, the Flex evangelist, you can bug him. Image manipulation was his feature.

Wed Jul 22 11:04 AM

ColdFusion peeps: Please vote for setting IPTC metadata Enhanc. Req. (see comments too) RT **@joaofernandes**: <http://tr.im/tw1S> logged it.

Wed Jul 22 10:59 AM

**@joaofernandes** I disagree on setting EXIF metadata. I believe it shouldn't be tampered with. IPTC is intended to be modified.

Tue Jul 21 10:01 PM

**@lextopia** Ay Ay Ay Ay, canta no llores, porque cantando se alegran, cielito lindo, los corazones :-)

Tue Jul 21 9:52 PM

dishes done, clothes folded, baby's sleeping (knock on wood). Time to catch up on blog reading: **@jamie\_krug** **@styggiti** , **@cfjedimaster**

Tue Jul 21 4:39 PM

**@cfjedimaster** Wow, Arclite is sweet. What color will you use? I want to use that color too! :-P

Tue Jul 21 3:14 PM

I like the CFBuilder Outline view for reading just the comments in a cfm, but even in widest size, outline view truncates comment text. Hrm

Tue Jul 21 12:48 PM

New **#photo** blog, Twilight Ferry Approach - <http://shar.es/J9R7> (by **@scouten**, Adobe Lightroom Developer)

Tue Jul 21 12:41 PM

**@paulkukiel** Um, you're about 3 and a half months late me thinks **#julyfools** **#cfunited**

Tue Jul 21 12:35 PM

**@garygilbert** Your Flickr images are beautiful. Love the yellow fields so much (rappe?). Makes me want to return.

Tue Jul 21 12:32 PM

**@garygilbert** That's a sweet ride! I visited Bamberg & Rothenberg 10 years ago, and loved the rolling country side.

Tue Jul 21 12:31 PM

**@styggiti** I know the feeling exactly, re: blog design. Then again, I suppose I'd have to blog more to make it worth it. Loved Aura

Tue Jul 21 11:27 AM

**@victoroliveira** Thanks so much for your compliment! I saw your image on

Explore and look forward to more. My pro photog website coming

Mon Jul 20 11:59 PM

[@paulkukiel](#) Remind me... Glassfish is the Sun J2EE server? Basically the new iPlanet App Server?

Mon Jul 20 9:14 PM

Using Spark and Halo togethr: we've decided that there r a number of .. things we can do to make experience ..better <http://bit.ly/pUOSS>

Mon Jul 20 9:01 PM

About to watch "Moonshot" on the History Channel. <http://bit.ly/3eQk97>

a href="htt</p> </div> </div> </div> </div> </body> </html>
